Managing the Thesis & Dissertation Writing Process

About: Students will learn about resources on campus to support their thesis or dissertation processes. Students will also learn strategies for planning time to research and write, using mentor texts, keeping track of research, communicating with thesis or dissertation committee members, and staying motivated and inspired.

Time: 3:00-4:00pm  
Date: Thursday, January 17, 2019  
Location: Noble Library, room 105

Statistical Concepts Review

About: Whether you are taking a class that utilizes statistics or you are gearing up to analyze data for a research project, this presentation provides a strong foundation. Students will review introductory statistics concepts such as mean, hypothesis testing (z-test and t-test), and confidence intervals (z-test and t-test).

Time: 5:00-6:00pm  
Date: Tuesday, January 22, 2019  
Location: Noble Library, room 105

Data Analysis: Introduction to SPSS

About: Graduate statistics consultants will present an introduction to SPSS, statistical software. Students will learn background information about the software, data acquisition, and data management. The consultants will also demonstrate data management techniques, exploratory data analysis and visualization, and modeling and significance testing in SPSS.

Time: 5:00-6:00pm  
Date: Tuesday, January 29, 2019  
Location: Noble Library, room 105
Writing Effectively: Tips for Multilingual Writers

About: Writers whose first language is not English may have many questions as they write papers for a variety of academic courses. This workshop will provide tips about English grammar and writing in graduate school.

Time: 3:00-4:00pm
Date: Thursday, January 31, 2019
Location: Noble Library, room 105

Data Analysis: Introduction to R

About: Graduate statistics consultants will present an introduction to R, free software for statistical computing. The consultants will demonstrate how to input data into R, data cleaning methods, rudimentary analyses (e.g., t-test and linear regression), and some data visualization.

Time: 4:00-5:00pm
Date: Tuesday, February 5, 2019
Location: Noble Library, room 105

Data Analysis: Introduction to Excel

About: Graduate statistics consultants present an introduction to Excel. The consultants will demonstrate how to receive summary statistics (mean, median, mode, range) from Excel, how to conduct basic statistical tests using the Data Analysis Toolpak (e.g., paired t-test, ANOVA, and linear regression), and some data visualization.

Time: 4:00-5:00pm
Date: Tuesday, February 12, 2019
Location: Noble Library, room 105
Resources & Tips for Thesis & Dissertation Formatting

About: ASU’s Graduate College format review team will present information and resources to help students with formatting theses and dissertations according to ASU’s Graduate College guidelines. Students will also learn tips for avoiding common formatting mistakes.

Time: 12:00-1:00pm  
Date: Monday, February 18, 2019  
Location: Noble Library, room 105

Introduction to the Institutional Review Board Process

About: Susan Metosky, Assistant Director of Research Integrity & Assurance, will present the application and submission process for IRB approval of research projects and IRB training. She will also answer questions about exempt and expedited IRB submissions and any other questions that you may bring with you.

Time: 12:00-1:00pm  
Date: Monday, February 25, 2019  
Location: Noble Library, room 105

Developing a Curriculum Vitae (CV)

About: Dr. Duane Roen, Vice Provost of the Polytechnic campus and Dean of University College as well as the College of Integrative Sciences and Arts, will discuss the differences between a curriculum vitae (CV) and a resume and the purpose the CV in the academic job market. Additionally, Dr. Roen will discuss strategies for developing and revising a CV.

Time: 3:30pm-5:00pm  
Date: Thursday, March 21, 2019  
Location: Noble Library, room 105
Tips for Writing a Literature Review

About: Having trouble starting or stopping your literature review process? Presenters will discuss tips for creating a literature review, incorporating it into your paper, and evaluating drafts of your literature review.

Time: 3:00-4:00pm  
Date: Monday, March 25, 2019  
Location: Noble Library, room 105

How to Submit a Work for Possible Publication

About: Join us for an information session that will help provide you with strategies for drafting and tackling the process of transforming a course/seminar paper into an article manuscript.

Time: 3:00-4:00pm  
Date: Thursday, April 4, 2019  
Location: Noble Library, room 105

Developing a Teaching Portfolio

About: Dr. Duane Roen, Vice Provost of the Polytechnic campus and Dean of University College as well as the College of Integrative Sciences and Arts, will talk about the value of developing and maintaining a teaching portfolio, how it can help you in the job market, what materials to consider including, and how to develop and hone your own teaching philosophy.

Time: 3:30-5:00pm  
Date: Monday, April 8, 2019  
Location: Noble Library, room 105
